

RICHLOOM

High Impact Accents
Digital Print Program
November 2019

Program Highlights

This collection is an assortment of trend-right designs, printed in China on three different basecloths:

Layton (Modern Linen Look)

Rubens (Soft Faux Velvet)

Palis (Luxe Faux Velvet)

This program is geared towards chair, headboard and ottoman manufacturers looking for unique designs at competitive prices. In addition, this collection has low MOQ's for China programs as well as quick deliveries.

Key Specifics to the Program:

- All designs may be printed on any of the three basecloth options
- We welcome special colors
- We welcome projects, including collaborative design work
- All designs are printed digitally using low energy dyes

China to China Specifics:

- 100M per color
