

HOME PERFORMANCE

A line of upholstery fabrics designed for residential furniture and engineered to withstand the challenges of everyday life - the kids, the pets, the spills. This collection boasts easy clean properties, extreme durability and is water & liquid resistant. The active home needs protective fabrics.

Cleaning Instructions:

Blot with a clean paper towel to remove excess spill. Prepare a mixture of 1/4 cup mild detergent with 1 gallon of water. Spray on area and blot again. Repeat until clean. Let the clean area air dry.
